Elegant & Modern

The wall tiles take their inspiration from the industrial style typical of the capitals of northern Europe, harmonising with the coordinated floors to reflect the greatness and sophisticated vitality of those cities. The series mirrors the elegance of treatments developed through graphical patterns reproducing the surface textures

The kitchen collection reinterprets the materiality of glossy finish with a subtle look, soft and pleasant to the touch. It is available in the 250x375mm size in different designs. Even is the ideal solution for creating harmonious, evocative settings in kitchen areas of house.
